

Bramley Class Weekly Overview

Week Commencing 10th March 2025.

English

This week, we will continue to work on our Mystery Book. We will be working towards persuasive writing and being able to communicate a strong debate. In our book, the main character will receive some gifts and we need to argue which gift we think is the best - you can always practice this at home.

Phonics

Year 1 now have 10 spellings each week. Keep practicing these at home and don't worry if your child finds them hard - if this is the case, choose 5 to focus on and let us know.

Year 2 will also continue with their spellings, working through the Little Wandle spellings scheme.

Handwriting

Year 2 will continue to work on their joins, letter orientation and ensuring we start to join all writing automatically. Year 2 writing is getting much better and much neater, please try to encourage joining as much as possible at home. Year 1 will work on their letter sizing and how we write our capitals larger than lower case letters, along with orientation of numbers - particular letters which are causing trouble at the moment are d, b, n, a, m, e, f, g and y - both capital and lower case.

Maths

Year 1

We will be continuing our unit, 'Place Value to 50'.

In this unit we will:

- Count from 20 to 50
- Work on number recognition and use to 20, 30, 40 and 50
- Count by making groups of tens
- Make groups of tens and ones
- Partition into tens and ones
- Use the number line to 50
- Estimate on a number line to 50
- Find 1 more and 1 less to 50.

Year 2

We are starting our new unit, 'Mass, Volume and Capacity'.

In this unit we will:

- Compare mass
- Measure in grams
- Measure in kilograms
- Work on operations with mass
- Compare volume and capacity
- Measure in millilitres
- Measure in litres
- Work on operations with volume and capacity

Science

We will be continuing our unit, 'Changing Materials', looking at absorbency and investigating absorbent materials.

PE

This term we will be focussing on Games. Later in the Spring we will have our inter school football tournament, so lets get working on those ball skills!

Topic

We will be continuing our topic for this term - Ocean and Continents. We will be looking at sheet maps and the variations of climates across the globe.

RE

We will continue learning about Judaism, focussing on Synagogues and what happens at a Synagogue.

Forest School

Spring is just around the corner - and it's starting to show at Forest School. We'll be outside looking for signs of spring coming, taking art supplies with us to make some spring creations. We will also be seeing if the minibeasts are waking up and coming out to play after a chilly winter.
