

# Bramley Class Weekly Overview

Week Commencing 25th November 2024.

## English

For English this week, we will be continuing with our work on non-fiction writing, writing fact pages about lions and understanding the differences between facts and opinions.

## Phonics

Year 1 will be working on Phase 5 and Year 2 will be continuing to use

**Best bets for spelling: /ai/  
Your best bet is at the top!**

Beginning	Middle	End
a acorn	a-e cake	ay play
a-e ape	ai rain	eigh weigh
ai aim	a amazing	ey they
eigh eight	eigh weight	
	ea great	
	aigh straight	

their 'Best Bets' spelling posters to help them with spelling. Please don't forget all children have their spelling tests on a Monday and new spellings will be sent home on Tuesdays. High Frequency words - we really need to work on our spelling of High Frequency words. Have a look at

<https://www.highfrequencywords.org/first-100-high-frequency-word-list-precursive.html> to find the first 100 and 200 words, which you can practice at home.

## Handwriting

Year 2 will continue to work on their joins, letter orientation and ensuring we start to join all writing automatically. We will also link our handwriting with our spellings for the week. Year 1 will continue to work on capital letter formation and neater name writing.

## Maths

### Year 1

Maths, Addition and Subtraction.

In this unit we will be learning about:

- Parts and wholes and learn how to use part-whole models
- Fact families - addition facts
- Systematic number bonds within 10
- Addition - add together
- Addition problems
- Subtraction - find a part
- Subtraction - take away/cross out (How many left?)
- Subtraction on a number line

- Adding or subtracting 1 or 2

## Year 2

Maths, Addition and Subtraction.

In this unit we will:

- Recap on our number bonds to 10
- Fact families - addition and subtraction bonds within 20
- Bonds to 100 (tens)
- Add and subtract 1s
- Add by making 10
- Add three 1-digit numbers
- Add to the next 10
- Subtract across 10
- Subtract a 1-digit number from a 2-digit number (across and not across a 10)
- Add two 2-digit numbers (across a 10)
- Subtract two 2-digit numbers (across and not across a 10)
- Compare number sentences and work on missing number problems

## Science

For Science we will be looking at the habitats surrounding our local area and finding out what sorts of creatures we can find in these habitats. We will also think back to our discussion of living, dead and never alive.

## PE

Ball Skills will be our new focus for P.E this term, working on our basic ball control with various games and activities using our feet. Get your football feet ready!

## Topic

We will be planning a fieldwork enquiry to build on our mapping of the local area.

## RE

For RE, we will be discussing what sort of things Christians do when they meet up both inside and outside of the Church, and how their worship can differ.
