

What's Happening in Little Apples

Week Commencing 20th November 2023

Here is an overview of what the children will be learning this week:

We are going to be learning about bikes and scooters and learning how to keep safe when we are near the road.

We will be learning about traffic light colours and the vocabulary 'stop' and 'go'. We will be making courses on the playground and practicing stopping when we are told.

We will also be learning about helmets and how important they are to keep us safe as well as reinforcing wearing reflective objects in the dark.

Motor skills

The children will be hammering different objects to help build hand strength.

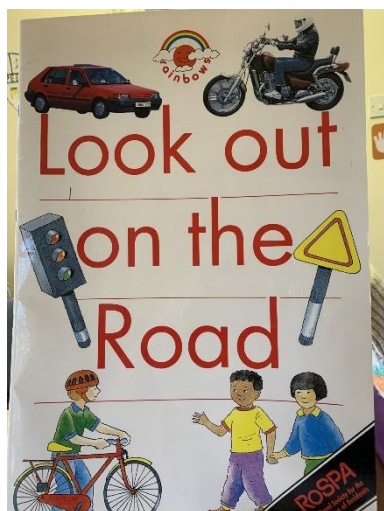

Maths

We will be counting the number of steps we take to get to different parts of the playground. We will also be looking at different road signs to see what shape they are.

Literacy

This week we will be listening to lots of instructions.

The children will also be sharing the following books:

Lots of fabulous ideas about keeping safe.

Bicycle, Bicycle, ride me around.

Up on the seat with my feet off the ground.

All through the country and all through the town.

Bicycle, Bicycle, ride me around.
